Sir:

This is responsive to the Official Action dated February 19, 2003, the time for responding thereto being extended for five months in accordance with a petition for extension submitted concurrently herewith.

The Official Action constitutes a requirement for restriction.

Applicants elect to prosecute the invention of Group II, claims 2-6 and 8, with traverse.

Applicants elect the species of SEQ ID NO: 1 as the DNA and SEQ ID NO: 2 as the protein encoded by the DNA.

Favorable action on the merits is solicited.
